

Dear Colleagues,

The International Summit on Climate Change and Economy (ISCCE 12) slated for 10-11 February, 2012 is the 6th annual Summit focused on understanding the nature of individual and organizational behaviour and decision making, and using that knowledge to accelerate our transition to an energy-efficient and low carbon economy. It will build on the overwhelming success of previous ISCCE Summits, at which more than 950 participants discussed successful policy and program strategies, shared important research findings, and built dynamic new networks and collaborations.

The ISCCE 12 Summit is convened by the Climate Change Working Committee - 12 Eaton Row Westminster, London SW1W 0JA, UK. Phone: +44 702 4092 673, +44 702 4087 911. Call for Paper(s): The ISCCE 12 Organizing Committee requests proposals for presentations from policymakers, businesses, social scientists, researchers, media specialists, marketers, energy experts, program designers, implementers, and evaluators.

We invite proposals for two types of presentations:

- 1.Oral Presentations (15-20 minute formal presentations and slides)
- 2.Poster Presentations (informal presentations)

Topic Areas: Abstracts must be submitted online on one of the following categories; if your topic doesn't fit easily into one of these categories (or if it fits into multiple categories) please choose the closest match.

Renewable and Green Energy Resources and Technologies, Biomass, Wind and Solar Energy Resources and Technologies, Alternative Fuels, Market and Finance of RES, Fuel Cells and Hydrogen Energy, Energy Storage Techniques, Green Buildings, Advanced Energy Systems, Energy Process and System Simulation, Modelling and Optimization, Advanced Power Generation, Transmission and Automation, Distributed Energy Systems, Polygeneration Systems, Energy and Automation, Energy Efficiency Improvement, Energy Conversion and Management, Thermodynamic and Energy optimization, Energy Education, Energy, Environment and Sustainable Development, Climate Change Policy, Climate Change and the Oceans  
Greenhouse Gases Mitigation Technologies, Energy Security, Policy, Economics, and Planning, Pollutant Emission Control and Abatement, Extreme Events and Impacts Assessment  
Agricultural and Forestry Resources Management, Water Resources Management, Case studies.

Proposal Submission: Interested presenters should submit an abstract of less

than 250 words, summarizing the proposed presentation and a short bio (100 words, email: [dredgarmarks@aol.co.uk](mailto:dredgarmarks@aol.co.uk) or fax on: +44 702 401 9529 by 6th January 2012. Submissions will be judged on relevance to Summit themes, clarity of thought, data/documentated results, creativity, fit in Summit program and other criteria. Deadline for notification of acceptance is 13th January 2012.

Summit Registration: All presenters are expected to register online by 20th January 2012. Registration is free of charge for delegates from developing countries. Also free flight ticket, travel insurance, visa fees and per diem to be provided for all paper presenters and participating delegates.

For more details on online registration, abstract submission, full papers and power point presentation, accommodation, flight, and venue, please email: [dredgarmarks@aol.co.uk](mailto:dredgarmarks@aol.co.uk) or fax on +44 702 401 9529.

**Important dates:**

- 7th January 2012, Deadline for abstract submission
- 12th January 2012, Notification of acceptance
- 19th January 2012, Deadline for full paper submission
- 10 - 11 February 2012 Summit dates

We look forward to seeing your delegation at the Summit.

**Dr. Edgar Marks**

Summit Director
